

November 29, 2017

Below are some important updates for the week:

November Member of the Month

Nevada FCCLA is proud to announce Baleigh Bond as our November Member of the Month (photo attached). Baleigh has been an active participant throughout her 4 years of FCCLA. Baleigh has served as chapter president elect and president, she also served as a State Officer from 2015 to 2016. She has helped with her chapters Breakfast for Belts and Festival of Trees each year it was held. Baleigh has gone to 3 Fall Leadership Rally's, 3 SLC's, and 2 NLC's. Baleigh received a gold medal in Recycle and Redesign at the 2016 SIC then she took her project to the Nashville NLC to win a gold medal for our state. Baleigh has gone above and beyond with all she has done.

Board of Directors Opening

We currently have one seat available for a District I Adviser to fill on the Nevada FCCLA Board of Directors. If you are interested, please email me! Our next BOD Meeting is in January and we would love to have you join us. Serving on the BOD is not a large commitment, we meet 3-4 times a year virtually and help with supporting Nevada FCCLA's membership and programs.

Also, if you know of any Business and Industry Professionals that would be interested in serving on the BOD, please reach out to them and have them [apply here](#). We are looking for a couple people working in the FCS industry to serve on the board as valuable resources.

Membership Affiliation - Due February 1!

Please note that the FINAL deadline for Nevada FCCLA Affiliation is February 1, 2018. **Submitting** and **paying** for your chapter membership by this date will ensure your access to important resources through the online portal, as well as allow your members to register and attend the State Leadership Conference in the spring. [Click here](#) to access the online portal today and get your students entered!
