

## **Madison Bailey - Vice President of Membership**

Madison Bailey is a Senior at Joseph Charter School and is currently serving as the 2017-2018 Oregon FCCLA Vice President of Membership. Madison has been a member of FCCLA for four years and has helped her community by participating in different activities and fundraising events. Competing at the state level, she has received silver twice, both times qualifying for nationals.

Outside of FCCLA, Madison is very active in Volleyball, Track, and FFA. She also has a love for activities such as yoga, snowboarding, hiking, and music performance. She will be traveling to Austria and Europe on an exchange program for a part of the summer, through Rotary Exchange. After high school, Madison plans on attending a four-year college, and continuing on to medical school after she receives her bachelor's degree. One day she hopes to pursue a job as an Anesthesiologist.

Madison never expected to become a state officer for FCCLA, but is extremely glad she is. Through her experiences in FCCLA, it has helped her become more involved in school, gain leadership skills, improve her speaking skills, expand her knowledge, and make new friends. FCCLA has been a positive impact on her life, and she has made many memories that she will never forget.
