

Nakaia Daugherty - Vice President of Peer Education

Nakaia is currently a junior at Roseburg High School. With only one year in FCCLA, she is excited for what this year has in store for her and all of the challenges and adventures that it may bring.

Nakaia would love to pursue a career as an Anesthesiologist. She has been taking many different science courses that involve college and plans to attend Portland University for her medical/doctorate degree. She has also been trying to get her arts major at SOU online while taking college credits.
