

Oregon CTE Student Leadership Foundation 2021-22 Chapter Grant Program

The Oregon CTE Student Leadership Foundation Board is excited to announce the 2021-22 Chapter Grant Program! In 2021-22, all chapters will be eligible to receive grant dollars. There will be two types of Chapter Grants this year: New Chapters and Existing Chapters.

New Chapters:

Grant Amount:	\$1,000 per new chapter
Deadline:	November 15, 2021
Link:	http://leadable.info/2021NewChapter
Requirements:	Must be a new chapter of any CTSO with dues paid by 11/15 and must complete the application form via the link above. To be eligible you must not have had a CTSO chapter for the last three years.

Existing Chapters:

The Board of Directors priority for the 2021-22 school year is to provide support to every student who participates in a recognized CTSO. The Oregon Department of Education recognizes the following CTSOs: DECA, FBLA, FCCLA, FFA, FNRL, HOSA, SkillsUSA, and TSA. Funding provided by the citizens of Oregon will be used to bring benefit to every student member. Each state CTSO has the ability to “opt-in” to chapter grants for the school year. Please contact your CTSO state staff for details about your specific CTSO participation.

We anticipate a total of \$93,000 to be available for existing chapter grants this year. For CTSOs that opt-in for chapter grants, the process is:

- November 15, 2021 will be the membership deadline for chapter grant eligibility
- Participating CTSOs will have state staff submit a complete membership roster
- Available grant dollars will be divided evenly by the total number of members in all participating CTSOs, with a per member amount determined based on available funding and total members
- The Oregon CTE Student Leadership Foundation will write one check to each participating CTSO for their total share of chapter grants
- Each State CTSO will write individual checks to all chapters who had paid members on November 15 for their full share of grant dollars
- Ideally, checks to each chapter will be presented in-person at a state conference; checks can also be mailed directly from each CTSO to the local chapters
