### **STAR Events:**

STAR Events offer FCCLA members the opportunity to expand their leadership potential and develop necessary skills for life for future families, communities, and workplaces. Members can demonstrate family and consumer sciences skills, career skills, and interpersonal skills through competitive events. Members may only compete in **two** STAR events. Competitors must compete at the state level and earn the opportunity to attend NLC by scoring in the top two of an event. This year national FCCLA is inviting the top three in each level to compete at National Leadership Conference:

- Career Investigation
- Culinary Arts
- Focus on Children
- Job Interview
- Leadership
- Say Yes to FCS Education
- Sustainability Challenge
- Teach or Train

For more information on STAR Events go to the FCCLA Portal under Resources - Competitive Events. There have been some changes since the original document has been released so be sure to check updates.

**Online STAR Events:** Competitors must follow national guidelines. There will not be a state level evaluation for these events.

For more detailed instructions please download the full STAR Events information from the national portal and review the document titled “STAR Events Online Project Summary Form Instructions”.

## **Online Evaluations**

This year Oregon FCCLA will be evaluating all competitors through an online platform aligned with national FCCLA called JudgePro. As you are helping to secure evaluators, please remind them that they will need a fully charged electronic device. All rubrics will be released the Monday following the close of the State Leadership Conference.

## **EVALUATORS**

Chapter Advisers are subject matter experts in Family and Consumer Sciences and FCCLA. As subject matter experts, they provide essential information about FCCLA, Family and Consumer Sciences curriculum, and career and technical education to both members and other adult volunteers. Without Chapter Advisers serving as event evaluators, evaluation teams may lack critical context and subject matter information that could negatively impact final scoring.

In addition, it is necessary for Chapter Advisers to secure additional evaluators that will make a positive impact on competitors. State staff highly recommends Chapter Advisers to have one competitive event volunteer for every four-chapter competitor, as this can involve administration and advisory committee members to support the members. It's emphasized that many individuals are required to help manage competitive events, and adults are crucial for the

success of these events. Encouraging cooperation and respect between youth and adults is vital, which is fostered by allowing individuals to work in adult teams. All evaluators will need a fully charged electronic device.

## STUDENT LEADERSHIP OPPORTUNITIES

Oregon FCCLA State Executive Council serves as the second highest level of leadership within the organization. These leaders play an important role in program development, program implementation, and public relations. They serve as role models and advocate for the transformative power of youth leadership. During the State Leadership Conference members and voting delegates will have the opportunity to meet and select the 2027-2027 Oregon FCCLA State Executive Council.

### State Executive Council Candidates

All dedicated FCCLA members who have served as chapter officers or committee members, possess a passion for leadership, and enjoy collaborating to strengthen the organization are encouraged to run for office. Please refer to the State and National Officer Candidate Guide for a full list of eligibility requirements. Serving as a State Officer for the Oregon Association of FCCLA is a prestigious opportunity.

Each candidate must complete the 2026-2027 State Officer Candidate Packet, available on the Oregon FCCLA website under the “Run for State Office” section. The completed application must be submitted online by February 27, 2026. Each chapter may have up to three (3) students elected to the State Executive Council.

### Voting Delegates

As a student-led organization, the power to change, direct, and propel the association rests with student voting delegates. Voting delegates elect the State Executive Council and approve amendments to the State Association Bylaws.

Voting Delegates are required to attend the following meetings:

- Opening and Business Session
- Officer Candidate Meet and Greet
- Voting Session – ONLINE, students must bring a device to vote

Voting delegates will receive an orientation paper in their registration packet. Delegates must attend the voting session where they will be given instructions and cast their vote at the State Leadership Conference. **Delegates must have a device to vote, whether it is a cell phone, laptop, or tablet.**

Each school should designate the number of Voting Delegates to elect the Oregon State Executive Council, National Officer Candidates, and vote on Bylaws. The number of voting delegates each chapter receives is based on its membership affiliation. Here's the breakdown of how delegates are allocated:

- 1 -19 members - 2 voting delegates
- 20 - 49 members - 3 voting delegates
- 50 - 100 members - 4 voting delegates

Voting delegates are identified by a ribbon attached to their nametag, which can be found in the chapter packets provided at registration.

## AWARDS AND RECOGNITION OPPORTUNITIES

**National Leadership Honor Roll:** Due March 1: The National Leadership Honor Roll recognizes students who excel in academic preparation for college and future careers. To be honored, students must have a cumulative high school GPA of at least 3.5 on a 4.0 scale.

Students to be recognized must have demonstrated leadership through roles as student or community leaders and have clearly defined career objectives. FCCLA members on the Honor Roll will be recognized at the State Leadership Conference. To nominate, complete the online form and upload the required documentation.

**4-5 Year Member Award:** Due March 1: The Four and Five-Year FCCLA Membership Award is a prestigious award recognizing affiliated members who have developed their leadership skills through local and state involvement through FCCLA's Ultimate Leadership Journey.

**Power of One Recipients:** Due March 1: Chapter members must complete all 5 units of the Power of One and complete the Five Unit Recognition Application then upload in the FCCLA Portal under Program Awards.

**Adviser Mentor Award:** Due March 1: The Adviser Mentor Award recognizes advisers who have been successful in achieving Master Adviser Recognition, devoting two years to new adviser assistance, assuming adult leadership roles in FCCLA, conducting adviser workshops, attending training workshops, and using national and state FCCLA resources. For criteria and official rules go to the [National FCCLA website](#) Nominations are made in the FCCLA Portal under Surveys and Applications, or in the Alumni and Associates Portal under Resources.

**Spirit of Advising Award:** Due March 1: Advisers should consider the following when making nominations: belief in FCCLA's mission, student support for success, encouragement of positive character development, dedication to nurturing leaders, and being a current FCCLA adviser. One adviser will be selected annually. This is a state and national award.

**Administrator Award:** Due March 1: Exceptional school administrators encourage chapters and help students take advantage of the opportunities offered. The Oregon School Administrator Award recognizes and honors local administrators who support the organization on the local and state levels by encouraging members and advisers through sponsored activities and projects, membership in the organization, promoting FCCLA in the community, and supporting Family and Consumer Sciences and Career Technical Education.

## ADVISER REMINDERS

**Adviser Assignments:** Advisers play a crucial role as evaluators in competitive events because they bring valuable expertise, perspective, and industry knowledge, which ensures that student performances are assessed fairly and with real-world relevance. Their involvement directly contributes to the quality and integrity of the evaluation process, as they can provide constructive feedback that helps students grow and improve. Additionally, by supplying additional adult evaluators, advisers help maintain manageable judging loads, allowing for more thorough and attentive evaluations. More evaluators also support smoother event logistics, ensuring that competitions run on schedule and that students experience a well-organized and professional event environment. Involving advisers and additional adults as evaluators not only strengthens the judging process but also fosters a sense of community and support around student achievements.

### Adviser to Student Ratio

The Adviser-to-Student Ratio for the State Leadership Conference should to be a minimum of one (1) Adviser for every ten (10) student delegates. Advisers should check their school district's policy regarding supervision of students on trips.

**Curfew:** Please remember that a curfew is in place during the conference. When planning evening activities with your students, keep this in mind. Ensure there are no late-night pizza deliveries, trips to the soda machine, or chapter meetings that extend past curfew, which could keep students in the hallways late. Plan chapter meetings and snacks within curfew limits to help the system run smoothly for everyone.

Let's all work together to keep hallway noise down at all times, as other guests are also staying at the venue.

Chapter advisers are responsible for their students' conduct. Simply checking rooms at curfew isn't enough to ensure they stay there, so advisers should remain visible in the hallways for at least an hour after curfew.

**Onsite Chaperoning:** Encourage your students to check in with you at least three times daily and keep them informed of your location. Remind them to work together to keep track of event times and locations. If you are busy assisting with an activity, let students know where you'll be, and have them note it in their programs.

Remind students to thank event staff, judges, and volunteers for their hard work. If you have parent chaperones, encourage your officers to plan a special thank-you for them during the conference or afterward.

**Publicity:** Your chapter and Oregon FCCLA welcome positive publicity. Use participation in the State Leadership Conference (SLC) to generate positive attention. It's beneficial for the public to know about your involvement before seeking funding for the national competition.

**Guest/Chaperone Code of Code:** Each attending student and chaperone must sign the Student/Guest/Chaperone Code of Conduct. Advisers are responsible for collecting and maintaining during the State Leadership Conference.

**Student Emergency Medical Forms:** Advisers are responsible for maintaining each student emergency medical form while attending the State Leadership Conference.

## DRESS CODE

**Oregon FCCLA Dress Code:** FCCLA members and advisers are representing an outstanding student organization and should project the image of a leader. During the conference, members, advisers and guests are expected to remember the following guidelines listed below in relation to their conference attire. - To make changes, click on the **Registration** button at the left. After logging in, the list of Registered Individuals will appear. Simply click the **Edit** link and make any changes you need. When you do this, remember to press the **Finished Registering** button to check for problems and to resubmit the invoice.
- Once you are finished with your registration, be sure to either click the **LogOut** link to make sure that the connection is securely closed or exit your browser. This will ensure that no one can get in and make changes to your registration.
